However, schemes that expire/ terminate earlier, and no longer disburse funding will be removed as appropriate. Scheme managers must ensure that at all times the respective schemes continue to comply with all ACGR selection criteria. Schemes listed on the 2016 ACGR for the first time must reapply for listing on the 2021 ACGR, except where specified otherwise.*

*Please note that 'Expired' refers to schemes which no longer award new grant funding, but which remain eligible for ACGR listing while they continue to disburse funding (e.g. final milestone payments) in an applicable year.*
