AND

THE UNIVERSITY OF NOTRE DAME AUSTRALIA, PO Box 1225, FREMANTLE WA 6959 ('University') [ABN 69 330 643 210].

WHEREAS:

A. The University meets the requirement of subparagraph 30-1(1)(b) of HESA.

B. This funding agreement is made under subsection 30-25(1) of HESA in respect of the 2014, 2015 and 2016 grant years.

C. Entering this agreement is a requirement under subparagraph 30-1(1)(b)(iii) of HESA for a Commonwealth Grant to be payable to the University under Part 2-2 of HESA.

D. Subject to subsections 30-25(2A) and 30-25(2B) of HESA, this funding agreement specifies conditions to which the Commonwealth Grant is subject that are additional to the conditions that apply to the Commonwealth Grant under Division 36 of HESA.

E. Under section 36-65 of HESA, the University must comply with this funding agreement.
NOW IT IS AGREED as follows:

PART A: Introduction

Commonwealth Grant Scheme funding amount and payment arrangements

1. The Commonwealth will pay to the University the Commonwealth Grant Scheme (CGS) funding amount for the 2014, 2015 and 2016 grant years for the University, calculated in accordance with division 33 of HESA.

2. The Commonwealth will provide an advance payment to the University during each grant year covered by this Agreement of the amount of CGS funding expected to be payable for each grant year.

3. CGS advances may be adjusted throughout the grant year based on information provided to the Commonwealth by the University.

4. CGS advances made in respect of each grant year covered by this Agreement will be reconciled with CGS funding payable to the University for each grant year. This reconciliation will occur in the year following the grant year when actual student enrolment data for that grant year is finalised.

PART B: Allocation of places

Maximum basic grant amount

5. The maximum basic grant amount is calculated in accordance with subparagraph 30-27(1)[a][i] of HESA, and subject to the passage of the Higher Education Support Amendment (Savings & Other Measures) Bill 2013.

5.1. If the Higher Education Support Amendment (Savings & Other Measures) Bill 2013 is passed by the Parliament without amendment and the legislation has effect for the 2014 grant year, the maximum basic grant amount for 2014 is $62,052,570.

5.2. If the Higher Education Support Amendment (Savings & Other Measures) Bill 2013 is not passed by the Parliament, the maximum basic grant amount for 2014 is $63,318,860.

6. The maximum basic grant amount for 2015 and 2016 will be calculated in accordance with subsection 30-27(2) of HESA and advised, in writing, by the Commonwealth to the University before the start of the relevant grant year.

Allocation of Commonwealth supported places

7. The total number of Commonwealth supported places allocated to the University for each grant year under subsection 30-10(1)(b) for each Funding Cluster for the grant year covered by this agreement is shown below in Table 1.

8. Any places allocated at the postgraduate level are for non-research Courses of Study and exclude any course subject to Ministerial determination under paragraph 36-15(2)(b) of HESA.

9. The amount of funding advanced to the University as an amount expected to become payable under HESA for each grant year covered by this agreement will initially be calculated on the basis that the University delivers the total number of the Commonwealth supported places identified in Table 1 in each grant year. If the University is unable to deliver the places detailed in Table 1 it must notify the Commonwealth as soon as practicable.
10. The University will receive enabling loading for each grant year covered by this Agreement for the number of Commonwealth supported places in enabling courses allocated to the University under subsection 30-10(1)(a) of HESA as shown below in Table 2.

Allocation of Commonwealth supported places for courses of study in medicine

11. The total number of Commonwealth supported places for courses of study in medicine allocated to the University under subsection 30-10(1)(a) of HESA for each grant year covered by this Agreement is shown below in Table 3. This is the maximum number of Commonwealth supported places for courses of study in medicine that the University may provide in the grant year.

12. The University must not change its course or courses of study in medicine in ways that will change the number of domestic annual completions for the course or courses. The number of domestic annual completions for the University’s course or courses of study in medicine is 212.

The Bonded Medical Places (BMP) and Medical Rural Bonded Scholarship (MRBS) schemes

13. The total number of Commonwealth supported places for courses of study in medicine includes the number of BMP Scheme places and MRBS Scheme places.

13.1. The University must allocate 25 per cent of all commencing Commonwealth supported places for courses of study in medicine to BMP Scheme students for the calendar year. The number of BMP Scheme places may be averaged over a period of three consecutive calendar years to calculate the 25 per cent.

13.2. The University must allocate from its total allocation of Commonwealth supported places for courses of study in medicine a specified number of places to be MRBS Scheme places for the calendar year. The Department of Health will notify the University of the specified number of Commonwealth supported places for courses of study in medicine to be allocated to MRBS Scheme places. The MRBS scheme places are separate from the BMP Scheme places and do not count towards the BMP Scheme 25 per cent requirement.

13.3. The bonded places provided under the BMP and MRBS Schemes must be used for BMP and MRBS students only. Non-bonded and fee paying places must not be used for bonded students.

PART C: Other conditions and requirements

Closure of courses

14. Before Closing a Course to which this clause applies, the University must consult the Commonwealth and obtain the Commonwealth's approval for the closure.

a. In this clause, 'Course' means a Course of Study, or a major within a Course of Study.

b. This clause applies to Courses at the undergraduate and postgraduate levels in which Commonwealth supported students have been enrolled in either of the 2 preceding years.

c. This clause does not apply to a Course for which the University has had an intake for less than four consecutive academic years.

d. This clause applies to Courses in the following categories:

   14.d.1. Courses that prepare students for entry to any occupation that is experiencing a National Skill Shortage;

   14.d.2. Courses, the closure of which, would be likely to create a National Skill Shortage in an occupation because the University is a sole or dominant provider of the national skill base for that occupation;

   14.d.3. Specialised Courses directed at the regional economy, the closure of which is likely, in the Commonwealth's opinion, to create serious detriment to the Skills Base of a Regional Economy; and

   14.d.4. Courses for a Nationally Strategic Language.

e. In making a decision regarding a Course Closure, the Commonwealth will:

   14.e.1. seek to reach a mutually agreeable arrangement with the University regarding the Course Closure;

   14.e.2. have regard to student demand for the Course, the financial viability of the Course, the justification provided for a proposed Course Closure by the University and other relevant factors;

   14.e.3. assist the University to explore options to retain the Course, including through cooperation with another provider or the movement of Commonwealth supported places to another provider (where applicable); and

   14.e.4. not unreasonably withhold approval for a Course Closure so as to place an unreasonable financial burden on the University or place the University in a financially unviable position in regard to the University's overall financial status.

f. For the purposes of subclause 14.4.1 and 14.4.3 the skill shortage lists published by the Department of Employment at State, Territory and National levels and the Department of Immigration and Border Protection's Skilled Occupation Lists must be taken into account in deciding if Closing a Course is likely, in the Commonwealth's opinion, to create serious detriment to the Skills Base of a Regional Economy.
New Campuses and campus closures

15. The University must obtain the Commonwealth’s prior written approval if the University proposes to enrol Commonwealth supported students in a course of study that is, or is to be undertaken, primarily at an educational facility, other than one of the following university campuses listed below:

<table>
<thead>
<tr>
<th>Name of campus</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sydney</td>
</tr>
<tr>
<td>Fremantle</td>
</tr>
<tr>
<td>Broome</td>
</tr>
</tbody>
</table>

16. The University must seek the Commonwealth’s prior written approval before closing or otherwise disposing of a campus of the University in which students are enrolled in Commonwealth supported places.

Clinical placements and practicums

17. The Commonwealth Grant Scheme contribution amounts for a place in a nursing and education funding clusters include amounts in recognition of the costs of nursing clinical placement and teaching practicum ($1,224 and $840 per EFTSL respectively in 2014$^1$). The University must use these amounts only for those purposes.

a. The amounts for 2015 and 2016 will be advised, in writing, by the Commonwealth to the University before the start of the relevant grant year.

18. For a course that is accredited under section 49 of the National Law, the University must ensure that each student enrolled in a course has access to clinical placements in accordance with the approved accreditation standard for the profession.

19. For a course that is accredited by a State or Territory teacher regulatory authority as an initial teacher education course, the University must ensure that each student enrolled in that course has access to teacher practicums in accordance with the approved national accreditation standard.

Applicable law and jurisdiction

20. The laws of the Australian Capital Territory apply to the interpretation of this agreement.

21. The parties agree to submit to the non-exclusive jurisdiction of the courts of the Australian Capital Territory and any courts which have jurisdiction to hear appeals from any of these courts in respect to any dispute under this agreement.

 Entire agreement, variation and severance

22. This agreement and the Higher Education Support Act 2003 record the entire agreement between the parties in relation to its subject matter.

23. Except for action the Commonwealth is expressly authorised or required to take elsewhere in this agreement or HESA, no variation of this agreement is binding unless it is agreed in writing and signed by the parties.

24. If a court or tribunal says any provision of this agreement has no effect or interprets a provision to reduce an obligation or right, this does not invalidate, or restrict the operation of, any other provision.

---

$^1$ If the Higher Education Support Amendment (Savings & Other Measures) Bill 2013 is not passed by the Parliament, these amounts will be $1,249 and $857 per EFTSL respectively in 2014.
